The Island Innovation Trust was established to harness the very best education practice within two large secondary schools and a large A Level sixth-form centre of almost 500 students, to create a culture of continual improvement with increasingly successful outcomes for young people across the Island.

The Governing Body of Carisbrooke College and Medina College is now seeking to appoint an ICT Support Technician to assist our internal team in the delivery of ICT support and services across the Federation. Duties will include supporting the ICT Support and Development team in providing second-line support to both Federation and associated primary school sites, whilst also supporting our busy helpdesk through providing advice via telephone and email support.

You should have an excellent level of ICT technical knowledge and interpersonal skills, be able to work on your own initiative and have a high level of accuracy and attention to detail. A friendly, customer focussed disposition is essential, as is the requirement to professionally co-ordinate and organise work whilst under pressure.

The Federation comprises Carisbrooke College, Medina College and our joint VI Form Campus and candidates should, therefore, be prepared to work across the three sites as necessary.

The Colleges are fast-paced, fun and caring environments in which to work and there are excellent opportunities for personal and professional growth and development. If you feel you have what it takes to be part of our dynamic team, we would be delighted to hear from you.

For further information and an application pack, please visit our website at [www.iif.org.uk](http://www.iif.org.uk). Completed applications should be submitted to [HR@iif.org.uk](mailto:HR@iif.org.uk). Please note that we cannot accept applications which are not submitted on the official application forms and we do not accept CVs under any circumstances.

The Governing Body for Carisbrooke College and Medina College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.

The Governing Body for Carisbrooke College and Medina College is an equal opportunities employer and welcomes applications from all sections of the community.

***Please note that the Governing Body of an Aided or a Foundation School is the employer***
